

## **Castlefield Kingston**

2015 OS (CINSEY-CASCARI-CARETINO-CAPITOL)

### **A new star is born**

An outstanding technique and bascule as well as phenomenal ability with extremely fast reflexes secure to Castlefield Kingston a bright future in sport in whom we have high hopes for the future. A modern athlete, who has all conceivable prerequisites for today's technically demanding and fast show-jumping courses.

His Father Cinsey (Contendo I - For Pleasure) is a sensational jumping stallion who is elastic and athletic. He typifies a first class performance type with above average gaits and an exquisite natural jumping talent. In the sport he was ridden by Edwina Tops Alexander and now by Alberto Zorzi at the top level WC and 5\* shows

His dam Cascarina (Cascari - Caretino - Capitol) come from holstein line 18B1; her blood goes back to foundation dam DORETTE, the story of SHOWJUMPING breeding, she was dam of FARN (father of not less then Nimmerdor), and many many founder stallions come directly from this family, as COSTANT the father of the great CHIN CHIN (won five World Cup competitions in 1988 and finished sixth individually at the Olympic Games in Seoul). This mother line bring 39 approved Stallions and 16 160 jumpers and Cascarina is a sister of VALDATO KWPN gelding from Emilion, World Cup and Nation Cup jumper, placed in 5\* GP with Marc Houtzager (NED), Julia Houtzager-Kayser (AUT), Beziee Madden (USA ) and Cara Raether Carey (USA)

**Holstein ancient nobility with top ability**
